For the attention of  
Mr. Renzo Andrich, president  
[renzo.andrich@siva.it](mailto:renzo.andrich@siva.it)

Subject: national contact for Latvia

Following to our preliminary talks, we are pleased to confirm our willingness to cooperate with EASTIN.

In particular, we confirm we are prepared:

- to answer questions posted by Latvian citizens or companies through the EASTIN website;
- to provide or supervise the EASTIN assistive technology classification, keywords and terminology in Latvian language;
- to regularly review – and update when needed – the EASTIN pages in Latvian language;
- to take part in on-line discussions and exchange of expertise within the EASTIN network on issues of common interest.

The person responsible for these tasks in Latvia is Mr Aivars Vētra – member of the board of the National center of rehabilitation “Vaivari” (email: [aivars\\_vetra@inbox.lv](mailto:aivars_vetra@inbox.lv), phone: +371 67766128). Therefore we kindly ask:

- to redirect any message sent through the EASTIN website in Latvian language to his email address;
- to include his email address in the EASTIN mailing list;
- to send him the password needed to edit the Latvian web pages of the EASTIN website;

- to acknowledge credit to the National center of rehabilitation "Vaivari" as EASTIN national contact in the EASTIN website.

Yours sincerely,  
State Secretary deputy

I.Alliks
